Re: 1998 NANPA Funding Worksheet (FCC Form 495) of the  
American Samoa Telecommunications Authority;  
CC Docket Nos. 92-237 & 95-155; NSD File No. 98-10

Dear Sirs and Madames:

Enclosed for filing is the 1998 NANPA Funding Worksheet (FCC Form 495) of my client, the American Samoa Telecommunications Authority ("ASTCA"), together with a check for \$230.06. We are filing this, pursuant to relevant FCC orders and public notices, even though we believe ASTCA is not (or should not be) subject to the obligation to contribute to funding the North American Numbering Plan. ASTCA provides service exclusively in the Territory of American Samoa, which has its own country code and is not part of the North American Numbering Plan. Accordingly, we respectfully request a refund of this payment.

Respectfully submitted,

  
David L. Sieradzki  
Cindy D. Jackson  
Counsel for the American Samoa  
Telecommunications Authority

PERSONS MAKING WILLFUL FALSE STATEMENTS IN THE WORKSHEET CAN BE PUNISHED BY FINE  
OR IMPRISONMENT UNDER THE COMMUNICATIONS ACT, 47 U.S.C.220(e)

**NOTICE TO INDIVIDUALS:** Pursuant to Congress' directive in the Telecommunications Act of 1996 that the Commission establish an independent entity to administer telecommunications numbering, the Commission determined on July 13, 1995, that the costs associated with administering numbering duties should be based on each telecommunications carrier's gross revenues less payments made to other carriers. The Commission and the NANPA will use the information collected in the worksheet to determine the total revenue received from telecommunications carriers in order to arrive at an amount that each carrier must pay to fund the NANPA. All common carriers providing telecommunications service between U.S. and foreign points must file this worksheet.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid control number. The control number assigned to this collection is 3060-0815.

Public reporting burden for this collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, D.C. 20554. DO NOT SEND WORKSHEETS TO THIS ADDRESS.
